08-23-19 RevPam's – 2020

I posted the following dream just before President Trump's inauguration. I received the dream on December 6, 2016. The Lord recently revealed to me the timing of the president's reflection being awakened is beginning and will be in full activation by 2020. This word is for the forerunners, trailblazers, intercessors, and covenant enforcers God is birthing and releasing in these last days. The darkness is preparing to transform into gross darkness and you are God's response to the darkness. Your time to shine has arrived.

Share this with anyone you feel led to. Share to any social media platform you desire. Make as many copies as you desire. Shalom, Samuel

01-09-2017 Dream - Time To Arise My Spiritual Trumps!

Dreamed 12-06-2016, I saw President Trump breaking up the political system and corrupt government structures. He took a sledgehammer, which represented the prayers of the intercessors, and swung it over and over, and with it, he struck the Whitehouse, Congress, Supreme Court, Banking System, and New York Stock Exchange. From there he went global and his path of destruction led to the nations. He was doing all of this parallel to a mirror that went along the path the Lord has released him on...and he was on a mission! Then I noticed that President Trump's reflection in the mirror was out of sync with him and seemed to be on a time delay...at least 20 seconds. It was a very odd thing to see. President Trump was well into his assignment, but his reflection in the mirror stood still and seemed to be asleep standing up. I was greatly disturbed and confused by his reflection in the mirror not moving even though he himself was already far down the path the Lord had laid out for him to follow. I then became angry as his reflection slept. Then I heard a voice say – Wake him up! So I yelled – Hey! Wake up! President Trump's reflection in the mirror began shaking violently until he was awake. He immediately began breaking, smashing and destroying the same systems as his physical self but still seemed to be on a 20-second delay. However, he was quickly catching up. Then he was only 5 seconds delayed and still quickly catching up. I saw President Trump's reflection in the mirror relentlessly, and seemingly without effort, breaking, smashing and destroying the systems of government contrary to the government of His Kingdom, and they were broken and shattered to pieces. President Trump's reflection never once lifted his head while he worked to catch up. He only kept his eyes on the handle of the sledgehammer the entire time as he swung it over and over. End of dream.

Interpretation:

Touch not my anointed; do My prophets no harm…

I have anointed this man to be like a modern-day Cyrus, to do through him as I did through Cyrus in Daniel's day, but to also do that which has been hidden in darkness and sealed from understanding until now. I sealed this secret in him and sealed the understanding of it first while he was in the womb. I chose him when he was born and I revealed this secret to My prophets at the set time, to have them prophesy and establish it on the earth. I did these things in advance, years in advance, but only those with the Father's heart saw and understood this. I have had intercessors assigned to him from the beginning…day 1. Repent of preconceived, religious and

legalistic expectations, and requirements he must meet before you think I could use him, and the same will be done for you, says the Lord.

Give grace and receive grace. Give judgment and receive judgment, for when you judge and condemn another, have you not already judged and condemned yourself? Don't look to the man, but look to the Spirit of God in and through the man, and you will see that My hand that is upon him, and when you see, My hand will also be upon you. Don't look to the man, but look to My Spirit moving in and through the man, and see My Spirit moving through many others I am raising for this time and hour upon the earth. I am not moving through just one man, but I am moving through a body of believers who hear My voice and obey.

Be sensitive to My Spirit and be in sync with what I am doing today and you will prosper. My anointing is upon him and upon America because of the cries and repentance of My people. My people have cried out with a loud voice, purposed in their hearts to turn from their wicked ways, prayed, fasted and worshiped Me in Spirit and in Truth. Are you now surprised that I heard from heaven and have released My response? Are you disappointed that I desire mercy over judgment? I have released both mercy and judgment. Mercy to those who are of the household of God, to those whose names are of the Righteous One seated in Heaven. Judgment is not appointed unto them, the righteous, but judgment is appointed unto the wicked, but even My judgment to the wicked is My mercy upon them to bring them to righteousness if they will believe. I desire that not one soul should perish and so should you to desire the same.

Get behind him and cover him in prayer. This is not about a donkey or an elephant. This is about My kingdom manifesting on earth. If you know that the things in the natural are a reflection of the things in the spirit, then you should understand that the nations he is confronting are representative of the powers and principalities My people should be confronting in the spirit *to the intent that now the manifold wisdom of God might be made known by the church to the principalities and powers in the heavenly places.* As I use him to confront these in the natural to take possession of all that has been stolen and withheld from this great nation, I am doing the same in the realm of the spirit, so you must be ready for battle for I am anointing you to pursue, overtake and recover all dominion and authority. I am anointing you to be a voice in the wilderness.

Mark My words, says the Lord. There will be a transition of power, but it will not only be a transition of power in the natural realm but a transition of power in the spirit realm as well. There is a transition of spiritual power that will take place, a spiritual inauguration for those who have prepared and positioned themselves properly will receive the impartation and revelation to a greater level and a mantle of power. I will take mantles and anointing from one administration that has abused its power and I will transfer them to a new administration that will not abuse them, says the Lord.

The Lord says He has released Trump to root up and throw down, pull down and destroy the political establishment of the self-declared elite currently wagging their fingers and scoffing at the one they call foolish and base, but he is My chosen and is anointed to break and smash, to destroy and throw down their false witness and narrative, and I will do it with the foolish and base thing they reject. They cannot comprehend nor discern My hand at work and that it is not Trump they reject, but the One who sent him. Seeing they refuse to see, and hearing they refuse to hear. They would not know truth even though it comes at them with a sledgehammer! My word trumps every liar. Is not my word like a hammer? Is not the natural a reflection of the spiritual? However, the spiritual is not first, but the natural, and afterward the spiritual. Then if you believe that, then you would already know that Trump's reflection in the vision represents

what I am about to do in My church...MY CHURCH. I am about to take the sledgehammer of My word and begin to break up the political, elitist, inclusive mindsets and doctrines that have overrun and divided MY CHURCH and I will do it through My company of spiritual Trumps that I am about to shake awake from their religious sleep and slumber.

Time to arise My spiritual Trumps! Awake! Awake, oh sleepers! Awake, you who sleep in the pews, and arise from the dead, you who build in vain, and Christ will give you light, and He put His strength upon you!

Time to arise My spiritual Trumps! For you shall go to all to whom I send you, and whatever I command you, you shall speak. Do not be afraid of their faces, for I am with you to deliver you. Therefore prepare yourself and arise, and speak to them all that I command you. Do not be dismayed before their faces for I have made you like a fortified city and an iron pillar. Some will try to fight and discredit you, but they will not prevail against you, for I am with you. Because you speak My words, behold, I will make My words in your mouth a fire, and the works of political correctness in My Church and the hearts of My people will be like wood and shall be devoured.

I will break and smash the politically correct doctrines of demons that MY CHURCH is quick to point out in government politics, but refuses to renounce and cast out of their own congregations. Truth and political correctness will not walk in agreement. What fellowship has light and darkness? I would rather you be one or the other, hot or cold. My truth offends and is not politically correct and so My truth is considered hate speech. My truth brings forth and establishes righteousness and justice. Political correctness is the mask of idolatry and self-worship. It only brings forth self-delusion and the fruit of it is chaos and destruction. It's only intent is to kill, steal and destroy the voice of My people, who are the righteous on the earth today.

Time to arise My spiritual Trumps! Stand and answer the call. Raise your voices to God with one accord and declare He is God who made heaven and earth and the sea, and all that is in them! Declare as David declared – Why do the nations rage and plot in vain? The kings of the earth take their stand, and the rulers are gathering together against the Lord Himself. It is the Lord they rage against and not a mere man. United as Nations they stand and United as Nations they will fall.

Time to arise My spiritual Trumps! Take your stand and I will look upon their threats against you, and anoint you with all boldness, and you will speak My word as a lion roars to declare his ruling authority and dominion over his territory. No weapon formed against you shall prosper and with every tongue that rises in judgment against you, you shall condemn and grow stronger and stronger and do greater and greater exploits.

Time to arise My spiritual Trumps and release truth into My house first. It is the truth that sets the captives free from political correctness, the mask of the spirit of Jezebel and Pride.

Time to rise my spiritual Trumps! I have made you My eunuchs who know how to enter the high places of Jezebel through intercession. Cast her down from her high places to her death, says the Lord of hosts! Cast her down from her high places in American government and My Church in America. Pull down her high places and altars in the spirit realm, which has defiled the land and My people.

Time to arise My spiritual Trumps, for I have made you a new company of watchmen for My house. Therefore, hear a word from My mouth and give them warning from Me. If I say to the

wicked unbeliever, he will die if he does not turn, then tell him. When a righteous believer turns from his righteousness and commits iniquity, tell him. It may be that both the wicked and righteous may turn from their sin and be saved, for I have purposed in My heart to place a perpetual stumbling block before them to cause them to fall upon it and be humbled in My sight. Every knee will bow and every tongue will confess the Lord of Righteousness, Yeshua, He is Messiah. For those who have eyes to see, watch and learn what the Spirit is now doing in the natural.

Time to arise My Jeremiahs! You have been anointed to do the same in my church. Break! Smash! Destroy! Throwdown the structures of political correctness, that spirit of antichrist in My Church. Throw that defiling demon of idolatry out of My house! Build! Plant! Release the word of the Lord, that My kingdom would be established, for I desire to make all things new.

Time to arise My company of Moses'! Break the yoke off of My people. Intercede for them! Shout to the pharaohs - Let my people go! Get in sync with Me as I break and clear away, to make way for the new structures and systems which I will institute. I have anointed you to lead My people through the wilderness of chaos and destruction. I have placed My Spirit upon you to lead them through the wilderness of worship until they encounter My glory. Undefiled worship establishes the government of My Kingdom.

Time to arise my Elijahs! I open your eyes today to see who I have made you to be in the Holy Scriptures. To know that you are being sent out to be a voice of one crying out in the wilderness – Prepare the way of the Lord! And the people who walk in darkness will see a great light, and those who dwell in the valley of the shadow of death will have their hearts pierced. Then you will teach them the difference between the holy and unholy, and cause them to discern between the unclean and the clean. This is the way I will turn the hearts of the children to the fathers and the hearts of the fathers to the children.

Time to arise My intercessors! Build and plant with Me, for without Me you labor in vain! I am about to shake this nation and the dead and unfruitful things will fall.

All will be affected, but just as the congregation of Israel was only affected by the beginning of the plagues in Egypt, so will I do it again in these days ahead. All will be affected by the shaking of the nations, but I will cut the days short for the congregation of My people, and just as I passed by the door of their homes in Egypt, so will I pass over My people not many days from now. And just as I made a distinction between the Hebrew children and the Egyptians, I will also make a distinction between My people and the surrounding nations who rage against them. In this way, I will make My name known above all names when I deliver them with a mighty hand and an outstretched arm.

And I will do the same again here in America. Decide today who you will serve and come down off the fence of compromise, and love the one whom you have chosen, for the fence that was called 'Lukewarm" for so long will now be a boundary line, and by this boundary line I will again make a distinction between my people and the people of darkness. To the one I will give over to strong delusion, and the bondage of it will cause a wailing and gnashing of teeth, but to the other, I will give over to righteousness, and the bondage of that one will joy unspeakable.

Hear and obey! Choose this day whom you will serve. There will be wailing and gnashing of teeth at your left side and a thousand may fall at your right hand, but it will not come near My people, says the Lord. Get in sync with Me! And you will see the salvation of the Lord in the land of the living in America.

Revival is coming! Revival is coming! Revival is coming! Says the Lord! And it will come with force and with power, with word and with a deed, with power and with demonstration, with much blood spilled and rivers of tears shed, shall the glory of the Lord fill His temple once again!

And this will be the sign and the distinction I will make between My people and the Accuser's people. You will see a man who hears My words and does them. This man is a wise man, one who builds his house on the Rock…the truth of My Word, and when the rains descend, the floods come and the wind blows and beats on his house; it will not fall for he built his house on the Rock and his reward is Salvation. This man did not labor in vain. You will see another man who hears My words, but hardens his heart and does not do them. This is a foolish man who builds on sand. I tell you the truth, he will be unstable in all his ways, yet he will still refuse to acknowledge Me, and he will direct his own path, and when the rain descends, the flood comes, and the wind blows, and beats on this man's house, he will fall and great will be his destruction. He labored in vain. And this will be the distinction between those who are called My people and those who are called Not My people, says the Lord. ***Isaiah 59:1-21; Isaiah 60:1***

Thank you for hearing and praying,

Samuel Ramos III

Helping people stuck in life become unstuck…

Thank you in advance for supporting this ministry. Smashing Pillars is a registered 501(c) 3 non-profit organization. A statement of giving will be mailed to you for your records at the end of the year. I appreciate you and pray for you daily and for the financial seed, you've sown. ***By supporting us you are helping people stuck in life become unstuck…***

God bless and multiply your seed sown today!
